Expanscience Laboratoires

Cosmetic actives and high-quality sensorial ingredients.

Passioline®
Maracuja (passionfruit) oleodistillate rich in unsaponifiables for repairing, remodeling and soothing
Ormesia®
Maracuja polyphenols for anti-pollution, detoxifying and self-defense mechanism boosters
5 α-Avocuta®
Esters of avocado oil for regulating skin and hair sebum
α - Lupaline®
Wheat germ oleodistillate rich in unsaponifiables and lupin oil for antioxidant, antiaging and sun care

Expanscience Laboratories – Continued

Actimp® Liquid / Actimp® Powder Bio
Lupine peptides for antiaging, photo and chronoaging and anti-sagging
Aqualicia®
Acacia macrostachya peptides and sugars for active cellular hydration and internal water flow balance
Collageneer®
Lupine extract for anti-aging, firming and contour remodeling
Effipulp®
Avocado peptides for antiaging, detoxifying and plumping
Hierogaline®
Wheat germ oleodistillate and sesame oleodistillate rich in unsaponifiables for antiaging and antiradical
Macaline®
Maca polyphenols for slimming, draining and firming
Neurovity®
Vitex negundo polyphenols for antiaging, dark spot corrector and brightening/whitening
Pixalia®
Cleome gynandra polyphenols for regulating sebum, purifying and soothing
Sesaline® Bio
Sesame oleodistillate rich in unsaponifiables for anti-aging, antiradical and antioxidant
Skinergium® 2 / Skinergium® Bio
Maca peptides and sugars for anti-wrinkle, brightening/lightening and skin radiance
Soline®
Sunflower oleodistillate rich in unsaponifiables for lipid replenishing, soothing and barrier strengthening
Sweetone®
Schizandra peptides and sugars for correcting imperfection, soothing and brightening/lightening
Sensorial Ingredients
Virgin maracuja oil, virgin prunus oil, avocado oil, capuacu butter, lupin oil, andiroba oil, avocado powder and cherry powder

Grain Processing Corporation

MALTRIN® Maltodextrins/Corn Syrup Solids
Consistent, pure, non-irritating, cost effective, water soluble glucose polymer
PURE-DENT® Corn Starch
Dusting powder, oil absorber, high quality modified unmodified NF or USP and highly absorbent versions available
PURE-GEL® Modified Corn Starch
Mild, versatile thickener with smooth skin after-feel, provides stable viscosity through very low or very high pH, homogenization, high heat and freezing conditions
Zeina® Hydroxypropyl Starch
Film former, cold water soluble, adds body and viscosity, maintains stability through wide range of pH, shearing and heat, hydrates without heat, offers smooth skin after-feel

Int'l Cosmetics Science Centre (ICSC)

Variety of natural butters, oils, antioxidants and waxes (conventional, organic, internally-stabilized).

Cosmassage R-3
Massage oil, moisturizer, UV protection
Cosmosil B
Vitamin E, emollient
Cosmosil 700
Mango butter, C18:0, C18:1 fatty acids
Cosmowhite Oil
Sunflower oil, aloe vera, curcumin
Danomega-3
Blend of omega-3 and omega-6 fatty acids
Danox Organic Preservative 7000
Natural antioxidant: rosemary, fennel
Ethnic Hair Care
Omega-3, vitamin C, nutrition oil
Vitalizing Hair Repair Oil
Omega-3, rosemary, geranium

Continued

Nanovetores Technology S.A.

Nano and micro encapsulated active ingredients for cosmetic applications, encapsulated in lipid or biopolymer particles, with prolonged release through five specific triggers.

Nano Hydroxy Acids

Glycolic acid, lactic acid, citric acid, licorice extract and oat oil for whitening

Nano Oil Control

Essential oils of rosemary, sage, mint, pumpkin, chamomile seed oils and d-panthenol for oil control

Nano Up Lift

Hyaluronic acid and nanoparticles covered with Acacia Senegal for anti-aging and wrinkle filling

Nanovetor DMAE

Dimethylaminoethanol bitartrate for anti-aging and wrinkle reducer

Nanovetor Melaleuca

Melaleuca essential oil for acne treatment

Nanovetor Vitamin C

Ascorbyl palmitate and pomegranate oil for whitening and anti-aging

Nano Eyelashes

Jojoba extract for strengthening and growing new eyelashes and eyebrows

Nano Liss

Onion extract, urea and glycerin for hair remodeler, frizz control, shine, increased capillary mass

Nano T-Growth Hair

Extracts of licorice, ginseng, black cumin, black pepper, burdock, B vitamins and amino acids for stimulating hair growth

Nano 3C

Safflower oil, coconut and clove for reducing skin flaccidity and undulation

Nano Body Lift

Essential oils of mint, piperita and palmarosa, green tea oil, coconut extract and soy protein for body firmness

Nanovetores Technology S.A. – Continued

Nano Cellulitech

Caffeine, green tea oil, arnica montana oil and essential oil of palmarosa for the treatment of gynoid lipodystrophy and reducing lipogenesis

Nano Relief

Essential oils of sweet betula and vetiver for muscle pain relief

Nano Repellent

Essential citronella oil and andiroba oil for mosquito repellent

Nano Nails

Essential oils of lemongrass, melaleuca and cloves for strengthening nails and cuticles

King Industries

DISPARLON® Solventborne Rheology Modifiers
