ASP® Aluminum Silicates
Attagel® Attapulgite Thickeners
NMP Solvent
Satintone® Calcined Aluminum Silicates

Covia Specialty Minerals

Southern CA only

Imsil® Microcrystalline Silica
Minex® Nepheline Syenite
Tamsil® Microcrystalline Silica
Unispars® Feldspar

Eastman Chemical

Benzoflex® Plasticizers
Velate® Coalescing Agents

Honeywell

A-C® Modified Olefin Products
A-C® Polyethylenes and Copolymers
A-C® Polypropylene Homopolymers
AClyn® Low Molecular Weight Ionomers
ACumist® Micronized Polyolefin Waxes

ICL/Advanced Additives

HALOX® Anticorrosive Pigments

Imerys

NYAD® Wollastonite

InChem

Phenoxy Resins and Dispersions

Ingevity

Diacid 1550 Corrosion Inhibitor

King Industries

DISPARLON® Solventborne Rheology
Modifiers

Momentive Performance Materials

Element® Polydimethylsiloxane Polymers
SF and SFE® Silicone Fluids and Fluid Blends

No Scent™

Odor Control
Completely eliminates odor causing bacteria from porous surfaces on contact
All-natural human probiotic in spore form
Contains no harmful cleansers or enzymatics

Sandream Impact, LLC

Specialty effect pigments and visually stimulating delivery aids for enhanced product appeal.
